

Homeowners Insurance

Since for most of us our home is our biggest investment the value of good home insurance is immeasurable.

Home insurance, also commonly called **hazard insurance** or **homeowner's insurance** is the type of property insurance that covers private homes. It is an insurance policy that combines various personal insurance protections, which can include losses occurring to one's home, its contents, loss of its use (additional living expenses), or loss of other personal possessions of the homeowner, as well as liability insurance for accidents that may happen at the home or at the hands of the homeowner within the policy territory. It requires that at least one of the named insureds occupies the home.
